Detail G=

Montera lådstoppet (vinkel) bakom yttersidan, dra ej skruven i botten, vinkeln ska kunna vridas upp om lådan ska demonteras.

Mount the drawer stop (angle) behind the outside, do not tighten the screw at the bottom, the angle must be able to be turned up if the box is to be dismantled.

Montieren Sie den Schubladenanschlag (Winkel) hinter der Außenseite, ziehen Sie die Schraube unten nicht fest, Der Winkel muss nach oben gedreht werden können, wenn die Box demontiert werden soll.
